Dear Administrative Judges:

Please find enclosed the executed affidavits of NRC staff members Francis M. Costello, James H. Joyner, III, and John D. Kinneman, who prepared answers to interrogatories propounded by the USR companies. The answers to the interrogatories were served on February 9, 1990, with copies of unexecuted affidavits. Please note that minor editorial changes have been made in one sentence of the executed affidavits; however, these affidavits serve to identify the members of the NRC staff responsible for responding to the interrogatories, and the editorial changes do not change the identifications made by the affidavits or the responses to the interrogatories.

Sincerely,

Robert M. Weisman
