License No. 34-01115-03

Mr. Enderle:

As previously discussed, I am sending materials which might aid you in the disposal of the Byproduct Materials possessed under your NRC License No. 34-01115-03.

Enclosed is a list of vendors, some of which may be willing to provide services for the disposal of your materials. Enclosed also is NRC Form 314, Certificate of Disposition of Materials, which you may use after having disposed of your material, to provide the NRC with a record of the material transfer and to terminate your license.

If I can be of any further help, please feel free to contact me at (708) 790-5500.

Sincerely,

Walter T. King  
Radiation Specialist
