RE: Affidavit for Event Summary of 02/02/90

Dear Mr. Beach:

Please find enclosed an affidavit pursuant to Sequoyah Fuels Corporation's letter of February 2, 1990, which summarized the event occurring at the UF<sub>6</sub> Reduction Plant on January 22, 1990.

SFC requests that certain documents in this submittal be treated as proprietary information under the provisions of 10 CFR 2.790. Information contained in the event summary describing process systems and equipment is considered sensitive technical information.

Should you have any questions concerning this material, please contact me at your earliest convenience.

Sincerely,

Scott P. Knight  
Vice President  
Administration

**AFFIDAVIT OF**

**Scott P. Knight**

I, Scott P. Knight, Vice President, Administration of Sequoyah Fuels Corporation, do hereby affirm and state:

1. I am authorized to execute this affidavit on behalf of Sequoyah Fuels Corporation and Sequoyah Holding Corporation.
2. The affiant is an officer of the Licensee, Sequoyah Fuels Corporation, a wholly-owned subsidiary of Sequoyah Fuels International Corporation which is itself a wholly-owned subsidiary of General Atomics, each of which is a privately-held corporation.
3. This affidavit is submitted under the provisions of 10 CFR 2.790 in order to withhold documents designated as proprietary information in an attachment to our letter to Mr. Robert D. Martin on February 2, 1990.
4. Subject documents constitute confidential technical information which are deemed proprietary by the owner and are customarily held in such confidence. These documents have been transmitted to the Commission in confidence, and are not available in public sources. Public disclosure would create substantial harm to the owner by providing detail technical information to its competitors and other parties whose interests may be adverse to the owner.

SEQUOYAH FUELS CORPORATION

Scott P. Knight  
Vice President  
Administration

Subscribed and sworn to before me on this 14th day of February, 1990.
