Dear Ms. Frazier:

We have received notification from our teletherapy physicist, Tom Sullivan, that as of September 30, 1989, he will no longer be able to serve in his current capacity.

As replacement, Bill Kennedy, Ph.D. has agreed to serve as teletherapy physicist through January, 1990. Dr. Kennedy's credentials (ABR certified in Therapeutic Radiological Physics, in May, 1988) have been reviewed and approved by Ellis Fischel's Radiation Safety Committee. We, therefore, request that our Teletherapy License #24-00481-04 be amended to include Dr. Kennedy as teletherapy physicist after September 30, 1989.

Thank you for your prompt attention to this matter.

Sincerely,

Ronald G. Vincent
