SUBJECT: Special Report
Limerick Generating Station - Units 1 and 2

This Special Report Supplement is being submitted pursuant to the requirements of 10CFR73.71.(b)(2) as a result of the discovery of improperly controlled drawings and aperture cards containing Safeguards Information (SI) during July, 1996. On August 1, 1996, the initial version of this Special Report was issued and provided the description and interim and immediate corrective actions. This supplement provides an update including the cause of the issue and the corrective actions to prevent recurrence.
