In the Matter of
CONSUMERS POWER COMPANY
(Big Rock Point Nuclear Plant)
Docket No. 50-155
(Spent Fuel Pool Modification)

Dear Ms. Hynous:

Pursuant to your request of October 13, 1980, I am enclosing copies of the briefs filed before the Atomic Safety and Licensing Board by John O'Neill, II, and Consumers Power Company. I regret that I am unable to comply with your more general request concerning all information relevant to the Big Rock proceeding. A number of documents have been filed in the case, all of which are located in the Public Document Room maintained for the Big Rock facility at the Charlevoix Public Library, 107 Clinton Street, Charlevoix, Michigan 49720.

There is also a Public Document Room established for the Enrico Fermi facility at the Monroe County Library System, Reference Department, 3700 South Custer Road, Monroe, Michigan 48161. Although this Public Document Room will not provide you with specific information concerning Big Rock, it may give you some helpful background information about NRC proceedings in general.

Sincerely,

Janice E. Moore
