Dear Sir:

The purpose of this letter is to provide the response requested by your February 10, 1981 letter on Environmental Qualification of Safety Related Equipment. My staff has reviewed your staff's preliminary results of their review of the Oyster Creek environmental qualifications of safety related electrical equipment.

Based upon my staff's review of your February 10, 1981 letter and my original justification for continued operation provided in my October 28, 1980 submittal to you, I feel the continued safe operation of the Oyster Creek facility is adequately assured.

If you should have any questions concerning this matter, please call Mr. James Knobel (201) 455-8753.

Very truly yours,

Ivan R. Finfrock, Jr.
Ivan R. Finfrock, Jr.
