In the Matter of
METROPOLITAN EDISON COMPANY, ET AL.
(Three Mile Island Nuclear Station, Unit 2)
Docket No. 50-320 OLA

Dear Dr. Johnsrud:

I have been out of the office and, therefore, have not had the opportunity to speak with you regarding plans for a meeting among ECNP, Met Ed, and the Staff sometime during the week of March 16, 1981. Both the Staff and Met Ed would be able to attend a meeting that week, with the preference being for a meeting on March 17, 18, or 19 in Harrisburg. I left a message several weeks ago with Chauncey regarding this possibility. Since I will be at a hearing the next two weeks, please either call and leave a message for me or indicate whether ECNP can meet with Staff and Met Ed on one of the above dates. Also please indicate which of the above dates would be best for you.

We hope to determine at this meeting whether the three parties can reach a total or partial settlement of the ECNP contentions.

Sincerely,

Stephen H. Lewis
Counsel for NRC Staff
