JAN 6 1981

MEMORANDUM FOR: R. S. Brown, Jr.
Assistant to the Director and Chief
Program Support Branch

FROM: John B. Martin, Director
Division of Waste Management

SUBJECT: NO COST EXTENSION OF GEOTECHNICAL ENGINEERS, INC.
(GEOTECH) TECHNICAL ASSISTANCE CONTRACT NRC-02-80-077/
FIN B6994-0

You are requested to extend the subject technical assistance contract on the Edgemont Tailings Management evaluation at no cost from December 31, 1980 to March 31, 1981.

Due to other priorities, input to GEOTECH to be provided by this staff and by the NRC prime contractor, Oak Ridge National Laboratories, has not been completed. In telephone conversation (G. Castro and H. Miller on December 30, 1980), GEOTECH agreed that the extension could be accepted with no cost increase.

John B. Martin, Director
Division of Waste Management
