IN RESPONSE REFER
TO FOIA-81-68

Dear Mr. Turner:

This is in response to your letter of February 3, 1981 in which you requested, pursuant to the Freedom of Information Act, names, duty stations, and any other identifying information for NRC employees in Maryland, Virginia and Washington, DC.

The names and room numbers for NRC employees can be found in the NRC Telephone Directory. This document is available on a subscription basis (cost: \$15.00 per year) and may be obtained by writing to the Government Printing Office at the following address: Superintendent of Documents, U. S. Government Printing Office, Washington, DC 20502.

For your information, because of the existing heavy burden of handling the NRC's official mail, it is the practice of the NRC to limit the use of its internal mail system to official business. As a result, commercial solicitations received by the NRC Mail Room will be marked "Refused by Addressee," and will be returned to sender. This action is in accordance with Chapter I, Parts 153 and 159, of the U. S. Postal Service's Domestic Mail Manual. As you may be aware, Section 153.4, as interpreted by the General Counsel's Office of the U. S. Postal Service, provides that mail sent to officials or employees of Federal agencies is the property of the agency and is not the personal mail of the individuals to whom the letters are addressed.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
