ATTN: Personnel Director

Dear Director:

Under the provisions of the Freedom of Information Act (5 U.S.C. 55) and U.S. Civil Service Commission Revised Regulation (42-FR-552), we request the following:

- 1) Full Names of Federal Government Employees now working within your agency in the States of Maryland, Virginia and District of Columbia.
- 2) Current duty station address including room number, shop designation, or any other identifying information regarding building location or place of employment.

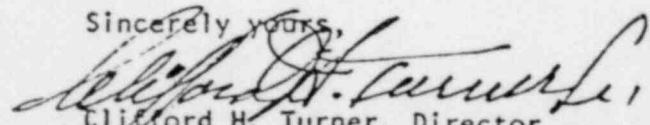

We request this information so that we may inform your employees of the opportunity to enroll in a payroll deduction, group dental plan designed especially for Federal Employees. Denticare, like Blue Cross, is a "NON-PROFIT ORGANIZATION" chartered for the benefit of Employees and their families. Commercial solicitation is not, nor will not, be involved!

Upon receipt of your list of names and work addresses we will mail the enclosed brochures and enrollment forms to each of your employees. However, should you be unable to release the requested list, or if your data is incomplete, or too costly to prepare, as to specific employee job location address, perhaps it would be better for your office to furnish only the "number" of employees within your agency. We then would supply your agency with that "number" of brochures, for distribution to each of your employees by your office or mailroom.

Please forward the above requested information to the undersigned within the 10 days indicated in U.S. Civil Service Commission Revised Regulation (42-FR-552). Also, please feel free to contact us to clarify any questions that you may have about the program or this request.

Thank you in advance for your cooperation.

Sincerely yours,

Clifford H. Turner, Director
Federal Employee
Denticare Program
