Re: Portland General Electric  
Company, et al.  
(Trojan Nuclear Plant)  
Docket No. 50-344  
(Control Building Proceeding)

Dear Mr. Johnson:

The Appeal Board which had been assigned to the above-styled proceeding has asked me to acknowledge its receipt of your May 5, 1981 letter. I have also been requested to advise you that it will no longer be necessary for you to keep the Appeal Board informed of any developments relating to the control building modification. This is because the Board's jurisdiction over the proceeding terminated with the rendition of ALAB-627, 13 NRC 20 (1981).

Sincerely,

*C. Jean Bishop*

C. Jean Bishop  
Secretary to the Appeal Board
