In the Matter of General Electric Co.
(Vallecitos Nuclear Center - General Electric Test Reactor)
Operating License No. TR-1
Docket No. 50-70

Dear Administrative Judges:

Enclosed is an original for Chairman Grossman, and copies for Judge Foreman and Judge Ferguson, of an executed copy of a stipulation regarding matters related to the prehearing conference and the hearing for this proceeding. It was signed by counsel for the remaining parties in this proceeding, with Mr. Cady signing as counsel for the newly consolidated intervenors.

At the time that the stipulation was originally prepared, the date for the prehearing conference telephone call was thought to be May 12, 1981, and so appears in section A of the Stipulation. However, as I indicated to Chairman Grossman's secretary last week, counsel for the parties have subsequently
