Mr. James B. Devine, Assistant Director
Export/Import and International Safeguards
Office of International Programs
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Subject: U.S. Nuclear Regulatory Commission Special Nuclear
Material Export License XSNM0722.

Dear Mr. Devine:

The subject license, XSNM0722, for the export of eight (8) mixed-oxide fuel assemblies to Kernkraftwerk Lingen GmbH (KWL) for use in their power reactor located at Lingen, West Germany, has been in timely renewal since its expiration on March 1, 1977. Since these fuel assemblies are no longer planned for use in the KWL reactor, Exxon Nuclear Company, Inc. requests withdrawal of the application for renewal of the license.

Sincerely

G. R. Kiel
