Dear Mr. Potapovs:

Docket No. 999C0510/81-01

This letter acknowledges receipt of your letter of May 27, 1981. Your letter requested confirmation that the corrective action taken in response to Nonconformance B of Inspection Report 81-01 would include sampling of WNP surveillance reports as well as Seabrook surveillance reports to assure generic coverage. Ten (10) contracts from each the WNP and Seabrook Projects were selected and the surveillance reports examined for the reported nonconformance. The results of this examination were available for your inspector's review during their inspection conducted at United Engineers & Constructors Inc. in Philadelphia, PA on June 1-5, 1981.

Sincerely,

R.A. Curnane, Vice President
Project Support Operations
