P.O. BOX 985 Buffalo, N.Y. 14240

June 11, 1981

Director of Inspection Enforcement  
Nuclear Regulatory Commission  
Washington, D. C. 20555

Attention: Mr. Victor Stello

Dear Mr. Stello:

On June 10, 1981, we submitted a report relating to 10CFR Part 21. In that report we incorrectly advised you that Dusquesne Light Co., Beaver Valley 1 & 2, Contract #2BVS-177 has fans that are affected. This listing should be deleted from our report. We apologize for any inconvenience this error may have caused.

Very truly yours,

BUFFALO FORGE COMPANY  
AIR HANDLING DIVISION

Robert Jorgensen  
Director of Engineering
