Dear Ms. Borgstrom:

In response to your May 28, 1981 memorandum, this is to provide NRC staff concurrence in the Notice of Intent (NOI), enclosed in your referenced memorandum, for the Durango UMTRAP EIS and the associated public EIS scoping meetings to be held June 30 and July 1, 1981 in Durango, CO.

As a cooperating agency in the preparation of the EIS, we appreciated the close coordination with you and your staff on development of the NOI in draft form. We were thus able to provide to your staff informal telephone concurrence in the draft NOI enclosed with your May 28, 1981 memorandum on May 29, 1981. Any further questions you may have may be addressed to myself or William M. Saffer, III (427-4055) of my staff.

Sincerely,

Original Signed by:
