Re: NRC Proposed Regulatory Guide 1.28, Rev. 3  
Request for Comments  
File: MCP-0302

Gentlemen:

Duke Power Company requests that our comments be considered in the development of any official NRC Staff position concerning the subject guide.

We endorse the position of the ASME Main Nuclear Quality Assurance Committee on Draft Regulatory Guide 1.28 (Rev. 3) and support the comments presented in their committee correspondence to you on the subject dated June 12, 1981.

Duke Power Company recommends that the Proposed Regulatory Guide not be issued as it currently exists. Please refer to the ASME Nuclear Quality Assurance Committee correspondence for comments regarding specific items of concern.

Yours very truly,

L. C. Dail, Vice-President  
Design Engineering Department
