ORDER RELATIVE TO INTERVENOR'S
MOTION TO COMPEL TO INTERVENOR'S
SECOND SET OF INTERROGATORIES

On June 12, 1981, Committee to Bridge the Gap (CBG) filed a motion to compel further answers to its Second Set of Interrogatories filed on April 20, 1981. The Second Set went to the twenty (20) contentions admitted by that date. UCLA served its response to the interrogatories on or about May 20, 1981, and responded with additional explanations to the motion to compel on June 29, 1981. UCLA also submitted on June 29, 1981, "Supplemental Responses to Intervenor's Second Set of Interrogatories". UCLA stated that it is continuing to derive information to respond to certain other questions and will furnish further responses as soon as it has obtained the information. In reviewing the documents we noted that several of the UCLA answers inadvertently omitted from the original response and promised in the supplemental response are still

missing. We also noted that UCLA believes the recently released Staff documents provided some of the requested information.

Before we rule on the motion to compel, we direct CBG to update its request since it appears some line items may now be moot. Prior to submitting that filing, we direct UCLA to inform CBG of its current effort to furnish further information and when it expects to be able to furnish same. We will expect a report from CBG not later than twenty (20) days after receipt of this order.

IT IS SO ORDERED.
