Joseph M. Hendrie
Chairman
Nuclear Regulatory Commission
1717 H Street, N.W.

Dear Mr. Hendrie:

Thank you for appearing before the Subcommittee on Environment, Energy and Natural Resources last week. In the interest of ensuring a balanced hearing record, I have submitted additional questions to be answered by the Commission. Without intending to impose an undue burden on you as you prepare to conclude your service on the Commission, I would greatly appreciate receiving your personal response to these questions.

It would be of great value to be able to include your remarks in the final report.

Congratulations and thank you for your contribution to public service. I look forward to your reply.

Sincerely,

JOHN HILER
Member of Congress
