

July 10, 1981

Gentlemen:

As required in 10 CFR 50.54 and Appendix E, licensees must submit three copies of emergency plans and procedures and subsequent revisions to the NRC Regional Office.

Two copies are retained in our Incident Response Center and one copy is issued to the cognizant emergency preparedness inspector. In order to standardize the submittal of these documents, please send all copies of plans, procedures, and revisions to the following address:

United States Nuclear Regulatory Commission
Region III Incident Response Center
799 Roosevelt Road
Glen Ellyn, IL 60137

Thank you for your cooperation.

Sincerely,

James G. Keppler
Director
