Subject: Docket 70-734, SNM-696; Decommissioning Plan.

Dear Mr. Crow:

Sometime ago you asked General Atomic Company (GAC) to review our Decommissioning Plan for the purpose of eliminating the 10 CFR 2.790 private data. This confirms a subsequent conversation wherein I indicated that we no longer desire to have the plan protected as private data under 10 CFR 2.790.

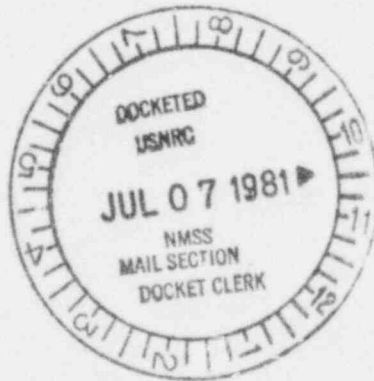

Should you have other questions or concerns in the matter, please don't hesitate to call me at (714) 455-2823.

Very truly yours,
