RE: Docket No. 71-5375

Dear Mr. Odegaarten:

In accordance with your directive, Chem-Nuclear Systems has removed shipping cask CNS 4-45 USA/6375/B () from service pending further notice.

An evaluation will be performed to determine what caused the development of cracks in the heat shield.

Questions concerning this matter should be directed to Louis E. Reynolds, CNSI Director of Regulatory Affairs.

Sincerely,

CHEM-NUCLEAR SYSTEMS, INC.
