Dear Mr. Smith:

This acknowledges receipt of your letters of July 30, 1980 and February 2, 1981 by which you transmitted Revisions 1 and 2, respectively, to the Vermont Yankee physical security plan.

We have reviewed the changes and agree that many of them are consistent with the provisions of 10 CFR 50.54(p). We do not agree, however, that certain other changes are consistent with these provisions. Enclosure A to this letter provides additional information regarding this position. Please either revert to the original plan in these instances or submit a response to items involving plan revisions or clarification within 30 days.

Also enclosed per your request is a completed transmittal form. Please note changes to the form's instructions and certification.

The attachments to your letters, as well as the revisions, and the enclosure to this letter contain information of a type specified in 10 CFR 2.790(d) and are being withheld from public disclosure.

Sincerely,
