Mr. C. E. MacDonald, Chief  
Transportation Certification Branch  
Division of Fuel Cycle and  
Material Safety  
U. S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. MacDonald:

Enclosed are eight copies each of the changes to the Certificate of Compliance USA/5958/B (DOE-ID) and the supporting technical evaluation. This certificate is for the Krypton Shipping Container modification.

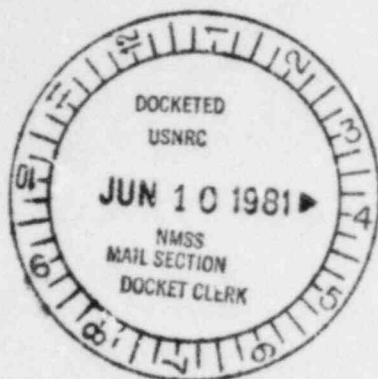

- a.) New certificates USA/5958/B (DOE-ID), Revision 1.
- b.) Addendum to the ICP-1077 Safety Analysis Report for Packaging, new report ENICO 1069.
- c.) Idaho Field Office safety evaluation for the revision and the Safety Analysis addendum.

Please review this revision and retain these documents to update your records. Any questions you may have may be referred to T. L. Dunckel.

Sincerely,

*T. L. Dunckel* for

Donald M. Ross, Chief  
Occupational Safety Branch  
Operational and Environmental  
Safety Division
