Docket No. 40-8745
SUA - 1396

Subject: Evaporation Ponds Quality Assurance Program

Dear Mr. Scarano:

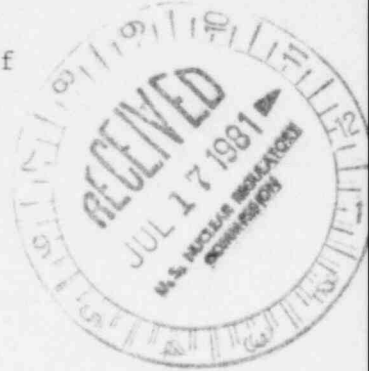

Ogle Petroleum Inc. (OPI) herewith submits a Quality Assurance (QA) Program for the construction and testing of embankments, subgrade, and leak detection layer with regard to excavation, fill placement, grading compaction, and moisture control. This QA program is being submitted in response to comments from the NRC Staff.

Please get in touch with our Casper office if you or your staff have any questions concerning the enclosed QA program.

Sincerely,

OGLE PETROLEUM INC.
