FREEDOM OF INFORMATION
ACT REQUEST

FOIA-81-212
Rec'd 6-1-81

Dear Mr. Carr,

Under the Freedom of Information Act, I am requesting a copy of SECY 81-170, a paper discussing to what extent the effectiveness of safeguards should be considered in NRC export licensing. In addition, I am requesting information about any commission vote on the options contained in this SECY paper along with the views of any commissioner explaining his vote.

I am requesting this information on behalf of McGraw-Hill, publishers of NuclearFuel, which is a newsletter that includes coverage of nonproliferation issues. The information I am requesting will be used in the preparation of news articles and as such, will benefit the public. Accordingly, I request that NRC waive its search and copying fees. If not, McGraw-Hill is prepared to pay the commission's normal fees.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Michael Knepik".
