Re: Docket No. 40-8684

Dear Mr. Linehan:

Your letter dated June 4, 1981 to Mr. D. C. Beling has been referred to my attention. At this time, J & P Corporation has sold their interest in the properties for which NRC license SUA-1337 was obtained.

The new owner is Arizona Public Service Company. I do know for a fact that no activities have ~~been~~ begun under the captioned license (including years 1978, 1979, 1980 and thus far in 1981).

Your new contact is Mr. Clarence Deason, Sr. Consulting Geologist, Arizona Public Service Company, Station 1780, P. O. Box 21666, Phoenix, AZ, 85036.

Very truly yours,

*Robert N. Schafer*
