STIPULATION RELATING TO SOC DISCOVERY
REQUEST TO NRC STAFF - MOTION FOR APPROVAL

1. On July 2, 1981, Intervenor Shoreham Opponents Coalition (SOC) submitted discovery requests to the NRC Staff (Staff).^{1/}
2. Subsequent to submission of the requests in question, Counsel for SOC and Staff conferred by telephone and have agreed to resume meeting for purposes of informal discovery and negotiations with regard to SOC's various contentions in this proceeding. The first such meeting is scheduled to take place on July 27, 1981. Applicant may also attend the meeting.
3. Without waiving any rights or remedies either party may have under 10 C.F.R. Part 2, SOC and Staff stipulate and agree that, pending the above described meeting, further action as to SOC's discovery requests by either party or the Board should be held in abeyance.^{2/}

^{1/} "SOC's First Set of Interrogatories and Requests for Production of Documents to the Nuclear Regulatory Commission Staff."

^{2/} Staff has preliminarily reviewed SOC's discovery requests and, for the most part, has determined that it will voluntarily provide the requested information.

4. Accordingly, SOC and Staff move the Board to approve the agreement set forth in this Stipulation.^{3/} If the Board approves this Stipulation, Staff counsel will file a status report with the Board by August 7, 1981, concerning the status of informal discovery and other matters between SOC and Staff.

Respectfully submitted

Bernard M. Bordenick
