Gentlemen:

Subject: Report Nos. 50-338/81-13 and 50-339/81-10

Thank you for your letter of June 22, 1981, informing us of steps you have taken to correct the violation concerning activities under NRC License Nos. NPF-4 and NPF-7 brought to your attention in our letter of May 28, 1981. We will examine your corrective actions and plans during subsequent inspections.

With regard to the violation, your response stated that you did not concur with the finding. We have evaluated your response and no additional information has been provided which changes our position. However, your action in response to the violation when implemented appears to be sufficient correction action to resolve this problem.

We appreciate your cooperation with us.

Sincerely,

for Paul Kelly
R. C. Lewis, Acting Director
Division of Resident and
Reactor Project Inspection
