MEMORANDUM

July 22, 1981

At the conclusion of ALAB-647, 14 NRC ___ (July 1, 1981), we indicated our intention to calendar the pending appeal of the Carolina Environmental Study Group (CESG) for oral argument "at as early a date as possible following the completion of briefing". CESG's brief in support of its appeal was filed on July 7; thus the briefs of the other parties in response to it will be due during August.

Assuming, as we do, that no lengthy extensions of briefing time will be sought by the appellees, we now propose to hold the oral argument in Bethesda on Thursday, September 10, 1981. An
