Gentlemen:

This will acknowledge your letter of May 21, 1981, which resulted from the routine Safety Inspection conducted by Mr. Jack Whitten of your office on May 7, 1981, of the activities authorized by EXAM's NRC Byproduct Material License.

Based on the findings of the inspection, we respectfully submit this written response to this matter, in accordance with the provisions of Section 2.201 of the NRC "Rules of Practice", Part 2, Title 10, Code of Federal Regulations.

We feel that the enclosed statements relating to the two (2) items of non-compliance stated in your Notice of Violation letter are satisfactory and EXAM will continue in its efforts for safety to its personnel and the general public.

"I certify that all information contained in this letter, including any supplements attached thereto, is true and correct to the best of my knowledge and belief."
