Mark L. Padovan, Project Manager
Operating Reactors Branch #4
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Padovan:

We do want to continue receiving information on the plant and docket no. 50-312. We find such information useful in our ongoing assessments of nuclear activities in California.

Please note the change in mailing address and name.

Thank you

Michael Paparian
