Gentlemen:

The following comment is suggested for your consideration:

Annex 1 Section 1.13.e:

It is suggested that this sub-section be deleted as part of Annex 1. It would more appropriately be included in Annex 2 under Section 2.13.3.

Reason:

The subject matter of 1.13.e is more appropriate to the use of packaging which is beyond the scope of Annex 1, but is included in the scope of Annex 2.

Sincerely,
