Docket 71-6771  
Model SN-1 Shipping Package

Dear Mr. MacDonald:

The present application for renewal of Certificate of Compliance 6771 lists Nuclear Engineering Co. (US Ecology, Inc.) as the primary user of the SN-1 shipping package. However, on April 29, 1980, Dr. Thomas S. Baei indicated our desire not to renew the subject Certificate of Compliance.

Accordingly, it is requested that the Nuclear Engineering Co. (US Ecology, Inc.) be removed from the list of SN-1 users and that name dissociated from the corresponding Docket.

If you have any questions regarding this request, please do not hesitate to contact me.

Sincerely,

Sidney V. Wright  
Vice President
