Gentlemen:

Please refer to your letter of April 23, 1981 and your "Physical Protection Plan for Strategic Special Nuclear Material" (undated Upgrade Rule version).

We have reviewed your proposed plan and have determined that certain changes and additions are needed.

In order to simplify and expedite the approval process, it is recommended that you or your representative meet with members of my staff to discuss the revisions.

We suggest this meeting be scheduled soon. Arrangements can be made with Mr. Charles Hillman of my office.

Sincerely,
