In the Matter of  
 The Regents of the University of California  
 (UCLA Research Reactor)  
 Docket No. 50-142  
(Proposed Renewal of Facility License)

Dear Mr. Pollock:

I have not received personal service of three documents recently filed by you which indicate service of Staff counsel. These documents are: (1) Response to Board Order of June 16, 1981, Requesting Additional Information from Daniel Hirsch, (2) Response to Applicant's Request for Change in Discovery Schedule (both dated June 30, 1981) and (3) your letter dated July 20, 1981 to Judge Bowers concerning discovery on Contention XX and Mr. Cormier's July 16 letter and his appearance as counsel.

Since I am well aware of the vagaries of mail delivery in the Washington, D.C. area, I am uncertain as to where the problem lies. Would you please verify with your secretary that she is mailing all the copies indicated on your certificates of service to the persons and addresses indicated there? If I know as a certainty that they are being sent from California, I will ask our mailroom personnel to inquire about the matter at the U.S. Postal Service.

Thank you for your assistance.

Sincerely,

Colleen P. Woodhead  
 Counsel for NRC Staff
