Docket No. 50-471

August 3, 1981

MODIFICATION OF PREHEARING CONFERENCE ORDER

At the request of Counsel for the Intervenor, Commonwealth of Massachusetts, the Prehearing Conference Order of July 2, 1981, is modified as follows:

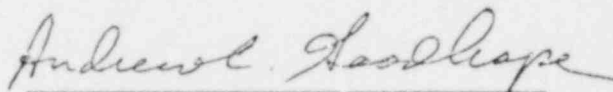

The reporter failed to appear at the prehearing conference held July 2, 1981 and when contacted could not appear for 2½ to 3 hours. The Board decided to proceed with the conference without a reporter. Counsel for the Commonwealth objected and the Board overruled the objection in view of the purpose for the conference and the Commission's rules which provide that a prehearing conference may be reported.

The request that the Commonwealth's proposed schedule be incorporated in the Order is denied since the proposed schedule is already of record.

The Commonwealth's request that the final prehearing conference be held at a later date is granted and the prehearing conference will be held on September 1, 1981.

IT IS SO ORDERED
