Dear Mr. Hendrie,

I have asked several congressmen questions that have not been answered, in my previous correspondences with Robert Lagomasingo he stated he wrote and addressed the enclosed letter to you. I would like to know - Did you receive it? And if you did I would also like to know when, as you can see my copy was not dated.

There are just those two questions, I would really appreciate you taking the time to answer them - & I will look forward to your reply

Thank you
