License No. SUB-1244

As a result of the inspection conducted on June 23, 1981, and in accordance with the Interim Enforcement Policy, 45 FR 66754 (October 7, 1989), the following violations were identified:

- A. 10 CFR 19.11(a) requires that each licensee shall post current copies of the following documents: (1) 10 CFR 19 and 20, (2) the license, license conditions, or documents incorporated into a license by reference, and amendments thereto; and (3) the operating procedures applicable to the licensed activities. 10 CFR 19.11(b) states that if posting a document specified in 10 CFR 19.11(a) is not practicable, the licensee may post a notice which describes the document and states where it may be examined.

Contrary to the above requirement, at the time of the inspection, neither the posting of the documents required by 10 CFR 19.11(a) nor the notice authorized by 10 CFR 19.11(b) to indicate where the documents are available for examination were not being maintained in the restricted area.

This is a Severity Level VI Violation. (Supplement VII)

- B. 10 CFR 19.11(c) requires that a Form NRC-3, "Notice to Employees", shall be posted by each licensee wherever individuals work in or frequent any portion of a restricted area.

Contrary to the above requirement, at the time of the inspection, a Form NRC-3 was not posted anywhere on the licensee's restricted area.

This is a Severity Level VI Violation. (Supplement VII)

- C. 10 CFR 20.407 requires that all licensees other than those described in 10 CFR 20.408 shall, within the first quarter of calendar years 1979 and 1980, submit to the Commission, their personnel monitoring reports specified in 10 CFR 20.407(a) and (b) covering the calendar years of 1978 and 1979.

Contrary to this requirement, at the time of the inspection, the personnel monitoring report for the calendar year 1978 had not been submitted to the Commission.

This is a Severity Level VI Violation. (Supplement VII)

Pursuant to the provisions of 10 CFR 7.201, Nellis Air Force Base is hereby required to submit to this office within thirty days of the date of this Notice, a written statement of explanation in reply including:

- (1) the corrective steps which have been taken and the results achieved;
 - (2) corrective steps which will be taken to avoid further items of noncompliance; and
 - (3) the date when full compliance will be achieved.
- Consideration may be given to extending your response time for good cause shown. The responses directed by this Notice are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
