MEMORANDUM FOR: Project Managers

FROM: Herbert N. Berkow, Chief
Management Analysis Branch
Planning and Program Analysis Staff, NRP

SUBJECT: PM UPDATE

Concerning the current project manager's update, due on August 5, please note all references to "fee class (AV)" for all active and completed TACS. A special effort is needed on this and future updates to get this category as accurate and "up to date" as possible. A significant number of fee-bearing items are not in the system as being fee-related, yet fees are being or have already been paid. The importance of this effort cannot be overstated, for it is from this record that manpower statistics and data are retrieved for analysis, study and fee documentation.

We appreciate your cooperation and assistance. If you have any questions, please contact Claire Harwood, x 27628.
