CLEVELAND ELECTRIC ILLUMINATING COMPANY,) Docket Nos. 50-440-OL
ET AL,) 50-441-OL
(Perry Nuclear Power Plant, Units 1 & 2) August 4, 1981

PROCEDURAL ORDER
REQUIRING REPLIES BY INTERVENORS FILING LATE CONTENTIONS

Petitioners who request leave to file further contentions shall reply to the responses of Applicant and Staff within 15 calendar days from the date of service of Staff's response. Since Ohio Citizens for Responsible Energy requested leave to file its Contention 14 prior to the issuance of this Order, it shall have until August 19 within which to file this required document.

The required reply should address specific legal and factual arguments presented by Applicant and Staff. Providing that the responses continue to be appropriately concise, the intervenor should reply to each factual and legal argument. Failure to reply could result in adverse factual or legal findings.

IT IS SO ORDERED

FOR THE ATOMIC SAFETY AND LICENSING BOARD
