Import Control
Bureau of Oceans and International
Environmental and Scientific Affairs
U.S. Department of State
Washington, D.C. 20520

Dear Mr. Helfrich:

Further to our letter of July 24 regarding export license application XU08525 for the export of natural uranium to Euratom countries for use in light water commercial power reactors, enclosed please find a mailgram from Edlow International Company listing possible fuel fabricators for the material. Please consider this information in conjunction with your review of this case.

Edlow has advised NRC that the Delegation of the Commission of European Communities will be forwarding to the Department of Energy the necessary assurances covering these possible fabricators.

Sincerely,

James B. Devine
