In the Matter of
Southern California Edison Company, et al.
(San Onofre Nuclear Generating Station, Units 2 and 3)
Docket Nos. 50-361 OL, 50-362 OL

Dear Mr. Perry:

Enclosed are two copies of the Applicants' pleading which accompanied the testimony filed on August 3, 1981, in this proceeding. I have also enclosed two copies of an exhibit related to the testimony of Mr. Eugene N. Cramer.

Due to an oversight, these documents were not included in the enclosures referred to in Mr. Hoefling's letter of August 5, 1981.

Should you have any questions, I can be reached at 492-7501.

Sincerely,

Donald F. Hassell
Counsel for NRC Staff
