Gentlemen:

This is in response to your letter of June 24, 1981 (#696-2082) in which you requested authorization to delay the implementation of Sections 3.1.5, 3.1.7 and 3.1.8 of your Guard Training and Qualification Plan.

We have reviewed your request and the circumstances upon which you base it. We have determined that extending the implementation date of the above mentioned Sections does not decrease the effectiveness of your security plan.

Accordingly, we are hereby modifying Section 9 of Materials and Plant Protection Amendment MPP-1 to your License No. SNM-696 by adding License Condition 9.4.16 as set forth in the enclosure to this letter, effective immediately.
