MEMORANDUM FOR: Chairman Ahearne
Commissioner Gilinsky
Commissioner Kennedy
Commissioner Hendrie
Commissioner Bradford

FROM: Samuel J. Chilk, Secretary *SM*

SUBJECT: COMMISSION BRIEFING RE: COORDINATION WITH EPA ON OCCUPATIONAL
RADIATION PROTECTION STANDARDS (SECY-79-18)

Attached is a memorandum from the Director, Standards Development outlining a briefing on the above subject. The staff has previously been provided copies of Commissioner Kennedy's December 5 memo and the November 29 OPE memo on this subject, and had informed this office that this briefing will be ready the Week of January 21.

The Chairman has requested that the briefing be expanded to include the topics in the attached memorandum, and an overview of all ongoing staff actions and considerations regarding dose limits and ALARA considerations.
