Dear Dr. von Hippel,

I am sorry for the long delay in replying to your letter of November 21 in which you requested help with your review of WASH-1400. We have been traveling.

When we moved to New England I did not bring any reference material ^{with me} and only a very limited amount of data. I do not have a copy of WASH-1400 and do not remember specifically which statements were referenced to me. If you could supply me with that information I could then check to see if there is anything I do have which might help you. I am sorry I cannot give you any more assistance.

Sincerely yours,

E. Tompkins
