

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

June 4, 1981

OFFICE OF THE
SECRETARY

MEMORANDUM FOR: Victor Stello, Director
Office of Inspection and Enforcement

FROM: Samuel J. Chilk, Secretary 

SUBJECT: PETITION TO REVIEW RESUMPTION OF
CONSTRUCTION AT MARBLE HILL

Save the Valley has petitioned the Commission to review the March 27, 1981 letter permitting the resumption of construction at Marble Hill. The Commission has determined that this petition should be treated as a petition to the Director of Inspection and Enforcement under 10 CFR 2.206. With respect to item 7 of the petition, the Commission views your briefing of May 7, 1980 as satisfying the instructions in its Memorandum and Order of March 13, 1980.
