Gentlemen:

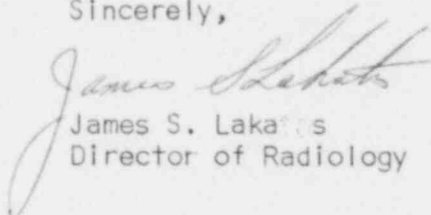

RE: I.E. Bulletin 79-19

In reviewing our files, we are unable to determine whether we have responded to I.E. Bulletin 79-19 issued in August 1979.

In compliance with this bulletin, this is to advise your office that this facility has not made shipments of low level waste nor are we involved in any programs generating low level waste which is shipped for disposal and burial at the present time.

If additional information is required, please advise.

Sincerely,

James S. Laka
Director of Radiology
