In the Matter of  
Long Island Lighting Company  
(Shoreham Nuclear Power Station, Unit 1)  
Docket No. 50-322

Dear Administrative Judges:

Enclosed is a fully executed "Motion for Approval of Stipulation Regarding SOC's Pending Discovery Requests, Applicant's Motions for Summary Disposition, SOC's TMI Contention and SOC's Motion for Reconsideration" (Stipulation).

During the course of a conference call held on August 17, 1981, between the undersigned, Counsel for the Shoreham Opponents Coalition and Counsel for Applicant, I was authorized to relate the following to the Board. The version of the enclosed Stipulation that was mailed to the Board on August 6, 1981, by Counsel for Applicant provided (in part IV at pages 4-5) that the parties would "file a status report with [the] Board by August 25, 1981, \*\*\*\*". That date should have read August 31, 1981, (as it now does in the enclosed Stipulation signed by all parties). Accordingly, the parties request that the Board's "Order Approving Stipulation" entered on August 10, 1981 be revised (at paragraph 1) to provide for the filing of a status report on or before August 31, 1981.

Sincerely,

D507
